**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My small local internet and telephone provider provides me with excellent customer service. Trying to get help from the big business provider I previously had was a nightmare. Their service is also much less expensive than the big business provider that is available in my area. If you eliminate competition in my area I will have to use a provider who doesn't care about me as a customer. I may not even be able to get service since there is already too few providers in my area.
